

Land for Sale in Paknampran

Land for sale in Paknampran, Pranburi. 1 Rai (1600 sq. meters). Very nice location with new homes being built all around. This is labeled as lot #1 in the property diagram. Seller will pay all transfer costs.

The lots are being divided now and new survey and Chanote titles will be ready in January 2026. Government paved road leading to land with electric, water and internet available. Very nice and quite area, perfect for building your dream home. Land size is perfect for building a large home with pool and gardens.

A great opportunity to purchase very nice land in a great area near the beach.

Message or call for a viewing of this nice land for sale.
